23rd Houston Arcade Expo Sponsorship Opportunities

Established in 2002, the Houston Arcade Expo is holding their 23rd Annual Arcade Expo on November 14, 15, & 16th at the [Houston Marriott Westchase](#). It is the ULTIMATE 80s Arcade Party that spans over 28,000 square ft! The show features 100's of classic and current coin-op pinball machines, video arcade games, penny arcades, console video games, and vintage computers, ready for attendees to play on free play or buy them for their home. In addition to a vast array of gaming options, the show hosts pinball and arcade tournaments, celebrity guests, live bands and music, pop culture vendors, local artists, a costume contest, trivia contest, a free swap meet, and workshops about a variety of gaming, technical, and pop culture-related topics to keep the young and young at heart entertained.

Even though our attendees are a broad demographic of the public, the majority of our guests are from 34 to 54 years old (see statistics page) and at the prime of their financial and decision-making time of their lives. Most people in the hobby are spending on average between \$5,000 and \$12,000 for a brand-new pinball machine. These are homeowners and business owners, most of which have technical backgrounds and typically have disposable incomes.

Please see our following sponsorship packages for your consideration; each package is limited and can and will sell out. We hope you can join us to promote your product or service and bring your company's name recognition to this high-energy and dynamic convention!
